Swisstrax isn't simply flooring. It lays the foundation for the finest automotive engineering, showrooms, and eventscapes in the world. Designed with the finest Swiss engineering over 20 years ago, Swisstrax was brought to Southern California in 2005, where it has been owned, manufactured and managed since.

Engineered to assemble in a "Swiss-Click," our modular Swisstrax tiles can be configured to feature your logo and custom color combinations. Best of all, it's durable, easy to maintain and comes with a full, 15-year warranty.

With 19 colors to choose from, 7 hardwood grains, more than 10 styles, superior resistance to oils, solvents, salts and hot tires, Swisstrax offers exceptional customization and quality. Our 4 point injection molding process ensures maximum material distribution, edge to edge and corner to corner. Transform your space today. You'll be floored.
